RESTORING TRUTH, HONOR, AND INTEGRITY

*"We can hear you out there
 You occupy the barstools of Americas imagination
 You take advantage of patriotism
 While enjoying the freedoms those you mock have fought for
 Those freedoms that our brothers have died for
 You think you can hide behind those freedoms
 But we will find you
 You will pay for your lies
 And here you will be exposed"*

-The Voice of Freedom

Are You/They a phony?

If you were a cook who worked primarily at a Special Forces Base Camp , you can say honestly that you were assigned to, worked with and / or was a member of The United States Army's Special Forces even though you may not have been "Tabbed". The same is true of the Rangers, PJ and SEALs. Those are acceptable peripheral connection to these Special Operational Units. As long as you clearly state what your exact connection was, there will be no confusion related to your Military Service History. However, if you were a crew Chief on a Helicopter that routinely dropped supplies, a truck driver who routinely delivered supplies or a Radio Operator who routinely handled Special Forces Radio Transmissions, you "MAY NOT CHARACTERIZE" your Service as "Assigned to" or "Member of the United States Army's Special Forces; Rangers or the United States Navy's SEALs.
